

Federation School News

Dear Parents and Carers,

Welcome back to the Summer term. I hope you managed to have an enjoyable fortnight and you spent some quality family time together.

Yesterday, we had a meeting with Milton Keynes City Council and the contractors who will be working on repairing the roof at Heelands. It has been a long time coming but work will start in early June to replace a large part of the roof with the repairs concluding mid July. We are now scheduling the internal works to kickstart as soon as the hall space is handed back to us with the intention of having the school fully back in working order for September. I will write to Heelands' parents soon to explain how the site will be affected at these times.

At Summerfield, we have had a lot of work going on INSIDE our building. Carpets, lino, doors and lighting have been replaced and we are due to have a new hall floor laid ready for the new school year. With two buildings approaching 40 years old, there is a lot of work to do to maintain and improve the site and setting for us all. I am 45 now so I know what work needs doing to maintain and improve me inside and out!

We have lots of activities planned for the Summer term now the weather is improving. This includes events organised by both schools as well as by FOSS (Friends of Summerfield School). Some dates are on this newsletter to give you advanced notice and other dates will be shared as soon as we can.

As ever, if you need help or information please contact Heelands School on 01908 316306 / office@heelands.org or Summerfield School on 01908 662585 / office@summerfieldschool.org and we will be only too happy to help.

Best wishes for a great final term of the year,

Ian
Executive Headteacher

DATES FOR YOUR DIARY:
