<b>Start date:</b> 01/09/2025
-------------------------------

### **About our School:**

We are a one-form entry Infant school and a two-form entry Primary school situated in Heelands and Bradwell Common near the centre of Milton Keynes and we are a part of The Blue Sky Federation. Our children are taught in small classes from EYFS through to Year 6 and we have a strong team of dedicated and enthusiastic staff working with them across both schools.

It is our intention to develop the whole child, helping them to grow as both lifelong learners and proactive, responsible citizens. In order to do this successfully, we strive to build meaningful and trusting relationships with our families. This starts with the very highest pastoral care; we know that children thrive academically, socially and emotionally if they are nurtured, free from worry and have all their needs met.

As school communities, we celebrate diversity and use people's experiences and strengths to motivate and stimulate. We recognise that children and adults perform best when they are nurtured, encouraged and valued.

---

### **About the Role:**

Are you ready to join a warm, collaborative and values-driven team, where staff wellbeing and professional support are not just spoken about, but genuinely prioritised? At The Blue Sky Federation, comprising Summerfield and Heelands Schools, we're looking for three passionate, resilient and nurturing Learning Support Assistants (LSAs) to start this September. As an LSA within our Federation, you will play a vital role in supporting the academic, emotional

and social development of our pupils. You'll work closely with class teachers and SEND staff to deliver targeted interventions, promote inclusive learning and help our children become the very best they can be. Our approach to learning is holistic, and we truly believe that growing the whole child is just as important as academic success.

At Summerfield School, where two of the positions are based, you'll be part of "a happy, inclusive and nurturing school" (Ofsted). We pride ourselves on strong relationships, where "staff are good at helping those pupils who need extra help" and pupils "feel safe in school". Our ethos, 'The Best You Can Be – Everyone, Every Day', underpins all that we do.

At Heelands School, where one role is available, you'll support pupils in a setting focused on continual growth and improvement. Our team is reflective and forward-thinking, working hard to ensure teaching is precisely matched to pupils' needs. You'll be part of shaping impactful learning experiences that help close gaps and foster confidence in every child.

What makes working here special?

A Wellbeing Day each academic year for every staff member

An inclusive, caring environment where staff and children alike feel valued and supported  
Clear opportunities to grow your own skills and experience within a forward-thinking Federation  
If you are caring, enthusiastic and eager to make a meaningful difference every day, we'd love to hear from you.

Interviews WB Monday 30th June 2025

**Closing date for applications: 29/06/2025**
